

# Khalsa College of Engineering & Technology

Amritsar

*(Governed by 125 years old Khalsa College Charitable Society, Amritsar)*

Approved by AICTE, New Delhi & Punjab Govt.

Affiliated to IKG, Punjab Technical University, Jalandhar

# About KCET

Established by the legendary Khalsa College Charitable Society in 2009, Khalsa College of Engineering & Technology is fast emerging as a dream destination for technical education in the sacred city of Amritsar. Sprawling over an area of 16.27 acres in the posh locality of Ranjit Avenue, the lush green campus houses aesthetically designed, colossal college building, hostels, workshops, a modern, fully-automated library, seminar halls, spacious classrooms and well equipped laboratories with cutting edge technology and latest softwares, instruments and machines. Every day at this premier institution is a day of discovery and innovation as we encourage creativity in young minds. Our teaching pedagogy, open door policy, special emphasis on add-on skills to supplement the university curriculum make it a unique learning centre for the students from all over India and abroad. The philosophy which guides KCET is panoramic in vision and encompasses the best. With its state-of-the-art infrastructure and highly-qualified and committed faculty, KCET is opening up new vistas of learning and career opportunities for engineering enthusiasts.

## Our Strengths

- ❖ It is run by the Oldest Society in the region with Professional and Educational background of more than 125 years.
- ❖ Highly Qualified and experienced faculty.
- ❖ Academic and Campus infrastructure is extremely good.
- ❖ Cost effective B.Tech. Programmes.
- ❖ Well trained Technical and Laboratory staff.
- ❖ Scholarship at entry level and for the position holders in the University and College Level Exams.
- ❖ Identification of talent for Extra-curricular Activities and over-all personality development of the students is a passion with us.
- ❖ The classroom teaching is based on Industry -oriented curriculum.
- ❖ Well equipped Labs with latest equipments and apparatus.
- ❖ Third Testing and Consultancy Lab in the State established in Department of Civil Engineering with latest Technology.
- ❖ We strive for well-designed academic processes leading to excellence.
- ❖ Excellent Separate Hostels for boys and girls with modern amenities such as wi-fi, water purifier, indoor games etc.
- ❖ **Campus is free from menace of ragging with total security for the wards.**
- ❖ Active Training and Placement Cell.
- ❖ Special Training Programme for cultural and religious activities.

# Programmes Offered In Khalsa College of Engineering & Technology

Programme	Eligibility	Duration
<b>B.Tech</b> (CE, CSE, ECE, ME)	All those candidates who have passed the 10+2 examination from a board recognized or established by central/state government through a legislation with Physics and Mathematics as compulsory subjects along with one of the following subjects:- 1. Chemistry 2. Biotechnology 3. Computer Science and Biology	4 Years

# Programmes Offered In Khalsa College of Management & Technology

Programme	Eligibility	Duration
B.Sc. Agriculture	10+2 Non-Med. & Medical	4 Years
BCA	All those candidates who have passed the 10+2 or its equivalent examination in any stream conducted by a recognized Board / University.	3 Years
PGDCA	Graduation in any discipline	1 Year

## Scholarships

% in Qualifying Exam	Tuition Fees Concession	% in Qualifying Exam	Tuition Fees Concession
90% Plus	Rs. 35000 for 1st Sem. Only	80% to 85.99%	Rs. 20000 for 1st Sem. only
86 % to 89.99%	Rs. 25000 for 1st Sem. only	75% to 79.99%	Rs. 10000 for 1st Sem. only

# KHALSA UNIVERSITY, AMRITSAR

## College of Engineering Science & Technology

Programme	Eligibility	Duration
<b>B.Tech</b> • Petroleum Engineering, • Aeronautical Engineering • CSE	All those candidates who have passed the 10+2 examination from a board recognized or established by central/state government through a legislation with Physics and Mathematics as compulsory subjects along with one of the following subjects:- 1. Chemistry 2. Biotechnology 3. Computer Science and Biology	4 Years
<b>M.Tech.</b> • CSE (Regular) • CE, CSE, ECE, ME (Part Time)	<b>CE:</b> B.E./B. Tech. in Civil Engineering/B. Arch. from recognised University. <b>CSE:</b> B.E./B. Tech. in Computer Science Engineering/IT from recognised University. <b>ECE:</b> B.E./B. Tech. in ECE/Applied Electronics/M. Sc. in Physics (with specialization in Electronics) from recognised University. <b>ME:</b> B.E./B. Tech. in ME/Industrial Engg./Production Engg. from recognised University.	2 Years (Regular) 3 Years (Part-Time)
• <b>MCA (Integrated)</b> • <b>MCA</b>	<b>MCA (Integrated):</b> All those candidates who have passed the 10+2 or its equivalent examination in any stream conducted by a recognized Board / University. <b>MCA:</b> Who passed any recognized Bachelor's Degree of minimum 3 years duration with Mathematics/Statistics/Business Mathematics/Business Statistics/Quantitative Techniques as compulsory/Optional/Additional Paper as one of the subject either at 10+2 or at Graduation Level. or BCA Course of minimum 3 years from recognized University.	5Years 3Years
