At Minfy, we believe that hiring freshers is imperative for company's growth, as they are sometimes more adaptive & open to innovation. They also have fresh ideas which bring in new perspectives

It is also great to have the contagious energy & passion, they bring along.

We also understand that it's organization's responsibility to ensure they are trained & groomed to take up the challenges and become job-ready.

They need a lot of support & encouragement at this stage and their success depends majorly on the trainings and mentorship they get, specially from their first organisation.

If you are a fresher or an experienced professional, willing to build your career/ join an organization in Cloud Technologies, We are glad to discuss on your suitability for an open position with us.

We will be glad to have you a part of Minfy's family and we know that with organisation's supporting & encouraging culture, you will be able to achieve success for yourself and for the organisation.

Please go through our website to know more about the organisation and the open positions,

www.minfytech.com.

Kindly send us your resume to careers@minfytech.com
