Insight Technologies is conducting an interview for the post of Trainee Engineer.

Qualification: BE / Diploma in #Mechanical #Engineering

Experience: 0~1 year (#freshers can also apply)

Insight Technologies is conducting an interview for the post of Trainee Engineer.

Eligibility:

Qualification: BE / Diploma in Mechanical Engineering

Experience: 0~1 year, across any domain or field, Not necessary!

Key selection criteria:

Strong understanding of engineering basics and its applications

Strong aptitude & ability to learn

Flair for analytical reasoning

Job duties and responsibilities:

Design & Drafting of Jigs & Fixtures, Special Purpose Machines, Automation systems

Coordination with manufacturing process

Overlooking Assembly, Testing & Trials in-house

To evolve into a specialist Engineer with holistic understanding of Engineering & Technology within 12 months

To shortlist your application, answer the following!

Why am I right for this position? Answer in 2 sentences only, in reference to 'Key Selection Criteria'

A solid steel shaft 4m long is stressed at 80 MPa when twisted through  $4^\circ$ . Using  $G = 83 \text{ GPa}$ , compute the shaft diameter. What power can be transmitted by the shaft at 20 Hz? Which failure theory is best applicable for this situation and why?

A 5kg mild steel ball has a temperature of 600K when it is placed in 25kg bath of water at room temperature of 300K. Heat transfer occurs between the 2 substances till equilibrium is reached.

Find the equilibrium temperature.

$C_p$  (mild steel) = 510 J/kg-K,  $C_p$  (water) = 4179.6 J/kg-K.

Selection procedure:

Only those applications that enclose the solutions & answers to above questions would be considered.

Evaluation of Curriculum vitae/resume & shortlisting.

Shortlisted candidates will be called for interview at our location

Preliminary aptitude and technical written test

Personal interview for the candidates that do well in the test.

Important note:

While sending your resume mention job code in subject.

Answers in .pdf format preferred

Send your CV to [hr@insight-technologies.in](mailto:hr@insight-technologies.in), enclosing the answers to the questions mentioned above.
